

Directions:

Using this tag is easy! Simply print, fill in the name of remembrance portion, cut a hole where indicated and use string or ribbon to attach a balloon.

We would love it if you are able to take photos during the project or during the release of the balloon and share them with us. Please send any photos you wish to share by posting them on our facebook wall or emailing them to office@thedomorefoundation.org. When sharing, please indicate your privacy preferences and whether or not it is okay for us to share with our followers.

Please feel free to download and print as many copies of this as you would like. Also feel free to share with friends or families who you feel may benefit from them.
